### A FEW FACTS ABOUT COUGHS AND COLDS THE PUBLIC SHOULD KNOW

Whether this Cold will prove a simple catarrh of the nose and throat or of but short duration and mild character; whether dread Pneumonia, with its sharp and fatal sting, shall be the sequence; or whether the blighting blast of the White Plague shall sit spectre-like upon its victim no one can foretell; hence the great importance of treating all colds, however mild, promptly and energetically. In urban populations the services of a skilled physician is always within call, but in rural districts, distance and inclement weather often net together to forestall the doctor's timely aid, so that valuable time is lost. It was particularly for this latter class of sufferers that MEINHARDT'S GERMAN COUGH REMEDY was invented.

### ECHOES FROM FORT GAY

**FORT GAY HAPPENINGS ALWAYS  
INTEREST OUR READERS.**

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Fort Gay doctor leaves no room for doubt on this point.  
Reynolds Frasher, physician, Fort Gay, W. Va., says: "I used to take Doan's Kidney Pills quite frequently for disordered kidneys and was greatly benefited on each occasion. I haven't had any need of such a remedy now for quite a few years and I believe that Doan's Kidney Pills have permanently cured me. I still prescribe Doan's Kidney Pills, however, in my practice with the same satisfactory results and I consider them a worthy remedy."  
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Doctor Frasher uses and prescribes. Foster-Milburn Co., Props., Buffalo, N. Y.

### CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel  
up corns or calluses so they  
lift off with fingers.

Ouch ! ? ! ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezezone when applied to a tender, aching corn or hardened callus stop soreness at once, and soon the corn or callus dries up and lifts right off without pain.  
He says freezezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezezone tell him to order a small bottle for you.
